The screenshot shows the JBIET payment gateway interface. At the top, there are browser tabs for WhatsApp, Mail - Controller of Examinations, iCampus-Login, and Ingenico ePayments India Pvt. Ltd. The address bar shows the URL: [tpsl-india.in/PaymentGateway/bnreq.pg?id=ec03befc-1155-43a7-a86e-b0929efa67fc](https://tpsl-india.in/PaymentGateway/bnreq.pg?id=ec03befc-1155-43a7-a86e-b0929efa67fc). The page header includes the JBIET logo and the reference number 22671A0501230302155107, with the amount 1100.00. The main content area features a navigation bar with options: CARDS, NET BANKING, WALLET/CASH CARD, UPI, and SCAN & PAY. Below this, the 'Pay using' section shows logos for VISA, MasterCard, and RuPay. A note states: 'For Maestro cards, please enter Expiry Date and CVV no. if available or else ignore and proceed.' There are radio buttons for 'Credit card' (selected) and 'Debit card'. A dropdown menu for 'Select Credit Card Option' currently shows '--Select--'. A blue 'PAY NOW' button and a 'Cancel' link are present. At the bottom, there are security logos (VeriSign, SecureTrust, VERIFIED by VISA, MasterCard SecureCode, and WORLDLINE) and a security notice: 'Your transaction is processed through a secure 2048 bit https internet connection based on secure socket layer technology. For security purposes, your following details have been logged. IP address 119.235.51.123 and access time Thu Mar 02 15:51:57 IST 2023.'

This screenshot shows the same JBIET payment gateway interface, but with the credit card payment details form expanded. The 'Pay using' section now shows the VISA logo. The 'Select Credit Card Option' dropdown is set to 'VISA'. The form includes fields for 'Card number' (with a placeholder 'Enter Your Card Number'), 'Card holder name' (with a placeholder 'Enter Card Holder Name'), 'Expiry date' (with MM and YYYY dropdowns), and 'CVV number' (with a placeholder and a CVV icon). A blue 'PAY NOW' button and a 'Cancel' link are at the bottom of the form. The security notice at the bottom of the page is partially visible.

**Note** once payment is done keep the details like transaction ID etc to sort out if any problem in payment update
